GUIDING PRINCIPLES FOR TEACHERS IN CATHOLIC SCHOOLS

Education is one of the most important missions of the Church. All Catholic School educators continue to share in the mission of the Church, “making faith become living, conscious, and active through the light of instruction.” (To Teach as Jesus Did) “The Catholic school is the unique setting within which this ideal can be realized. Indeed, Catholic Schools are the most effective means available to the Church for the education of children and young people.” (Sharing Light of Faith)

The success of our Catholic educational system depends upon professional competence and the quality of instruction. It also depends on the dedication and commitment of the educator.

.....

I have read the above guiding principles and agree that, if employed by a Catholic School in the Diocese of Ogdensburg, I will teach and act in accordance therewith.

I understand that credentials filed in support of this application become the property of the Catholic School and/or the Department of Education and will not be returned.

I further realize that any material omission or falsification of information provided by me on this application will result in its invalidation.
