No School January 17 - Martin Luther King Jr.

A child is born to us!

- Isaiah 9:6

Are you feeling the "let down" after Christmas? Well, celebrate the Christmas season as we do in the Catholic Faith. Our liturgical calendar recognizes Christmas until the Feast of the Baptism of the Lord, which is usually the second Sunday of January. So, do something special during the weeks that follow Christmas day. Save a gift for January 9th to mark the end of the Christmas season. Keep your Nativity Scenes out until January 9th. This joyful time is a time to celebrate the Hope that comes with the coming of the Lord. God bless you, Mrs. LaPierre

Visit <https://leaders.formed.org/religious-ed-and-catholic-schools/> There are some excellent videos and resources to teach about the Christmas season.

Angel Tree- Wow! We can't thank you enough for the generosity you have shown with our Angel Tree Service Project. We were able to provide several gifts to our 11 families. This experience of the Corporal Works of Mercy allowed our students to give generously and also organize and wrap the gifts for distribution. Learning and loving going hand in hand!

 **SEARCH FOR THE STAR** was a huge success. Thank you to all the families who decorated their homes and those that participated in the ride. As promised those families that featured their lights were entered in a drawing for a \$50 voucher off next year's tuition. Congratulations to the Curcio Family.

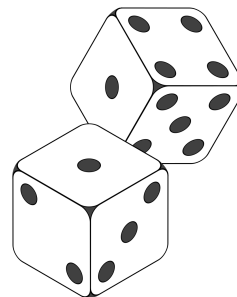

Pajama Day on January 18th - You earned it! Students may wear pajamas while Mrs. LaPierre has to dress in school uniform! This is a reward for reaching our goal to support Kevin's education through Mission of Hope.

COVID VACCINE - If you have decided to have your child vaccinated, please send in a copy of their immunization card after their second dose so we can have that on file. Vaccinated individuals do not need to quarantine if exposed and are showing no symptoms.

MASKS - Please be sure your child has a mask when you leave for school. Many students are arriving with no masks. We need to conserve our masks for times during the day when one gets soiled or broken. It is the responsibility of the family to provide the first mask of the day to enter the building. During the mask mandate, we are required to leave masks on throughout the day regardless of vaccination status. Thank you.
